"I Tried"

Visit "[I Tried](#)" on MotoLyrics.com

Girl I got to go, wish I'm gone
Girl, it's like the same complication
The same situation that we has a year ago
Baby girl I'm sick of the debating
Sick of all the waiting and I think that it's time to go
Girl you know I tried, I tried don't get me wrong
I would never mean to hurt you in my life
But something just ain't right

(I tried) Girl you ain't makin' it easier (I tried)
It ain't the same at it was before
No (she like), no (she like), no (she said) go
I gotta go, go, go (I'm like) I gotta go, go, go (I'm like)
I gotta go, go, go (I'm like)
Girl I got to go, girl I got to go

And girl you be pushin' me to the limit
When we are at the mall
You actin' like every girl I see I'm about to get involved
I can't help it no if I wanted to
If you think somebody treat you better find another
dude
Tryna make me believe that yeah you will but keep it
real
I'm the one that held you down for two years that's for
real
It's a shame that it happened this way
I didn't want us to go away cause

(I tried) Girl you ain't makin' it easier (I tried)
It ain't the same at it was before
No (she like), no (she like), no (she said) go
I gotta go, go, go (I'm like) I gotta go, go, go (I'm like)
I gotta go, go, go (I'm like) I gotta go, go, go
Girl I got to go, girl I got to go

Everybody go (eh, eh, eh) if you fell me go
If you know what I'm talkin' about (eh, eh, eh)
If you know what I'm talkin' bout (yay yeah)
Everybody go (eh, eh, eh) if you fell me go
Everybody go (eh, eh, eh)

(I tried) Girl you ain't makin' it easier (I tried)
It ain't the same at it was before
No (she like), no (she like), no (she said) go
I gotta go, go, go (I'm like) I gotta go, go, go (I'm like)
I gotta go, go, go (I'm like) I gotta go, go, go

Go, go [x4]
