If there were no record labels  
No radios or TVs  
No magazines, no MTV  
No Channel E! to see

Would I even tell my story?  
Would I even sing my song?  
If nobody sang along  
Would I take the time to write it?  
Would I say what's on my mind?  
If nobody sang along

Who's all this for?  
Is it my song or yours?  
Am I the superstar or are you?  
I feel so judged  
Like I'm on trial  
But if you aren't around,  
Would I gotta tell the truth?

Would I even tell my story?  
Would I even sing my song?  
If nobody sang along

Would I take the time to write it?  
Would I say what's on my mind?  
If nobody sang along

Maybe I like being played on the radio  
Maybe I like being just like the other girls  
Maybe I wish I was in more media  
Maybe I need to just say what I wanna say

(Maybe I should tell) maybe I should tell my story  
(Maybe I should sing) maybe I should sing my song  
And somebody just might sing along  
Maybe if I only write it  
And just say what's on my mind  
I'd be all over your TV screen  
The radio would play what I believe  
(What I believe, yeah)  
If I just say whats inside of me

I might set somebody free  
If I just be Me
