Dance for your spirit, dance for the nations  
Dance for the love and let's erase the hatred  
Dance for your healing, dance for creation  
Dance for the love who to reach love invasion  
Give it your soul and live free when you get the control  
(Kudurista)  
You ride with the stars from afar and the vision will  
hold you  
Live life, you will never get old  
Give it your soul and live free when you get the control  
(Kudurista)  
You ride with the stars from afar and the vision will  
hold you  
Live life, you will never get old  
Kudurista  
Kudurista, kudu-kudurista  
Kudurista, kudu-kudurista  
Kudurista  
Kudurista, kudu-kudurista  
Kudurista, kudu-kudurista  
Kudurista  
Kudurista, kudu-kudurista  
Kudurista, kudu-kudurista  
Kudurista  
Kudurista, kudu-kudurista  
Kudurista, kudu-kudurista  
Where there's a will there's a way  
There is no world we can't change  
Turn us all around today  
Dance through in all of your pain  
Dance for your spirit, dance for the nations  
Dance for the love and let's erase the hatred  
Dance for your healing, dance for creation  
Dance for the love who to reach love invasion  
Give it your soul and live free when you get the control  
(Kudurista)  
You ride with the stars from afar and the vision will  
hold you  
Live life, you will never get old  
Give it your soul and live free when you get the control  
(Kudurista)

You ride with the stars from afar and the vision will  
hold you  
Live life, you will never get old  
Kudurista  
Kudurista, kudu-kudurista  
Kudurista, kudu-kudurista  
Kudurista  
Kudurista, kudu-kudurista  
Kudurista, kudu-kudurista  
Kudurista  
Kudurista, kudu-kudurista  
Kudurista, kudu-kudurista  
Kudurista  
Kudurista, kudu-kudurista  
Kudurista, kudu-kudurista  
â€¡.  
Dance for your spirit, dance for the nations  
Dance for the love and let's erase the hatred  
Dance for your healing, dance for creation  
Dance for the love who to reach love invasion
