Always wanted from something, always wanted for
nothing, yeah
You've been what should of come in, so alone
Cause what was it really was it, this love is getting pass
You're trying to... so far gone, can you get back to the
feel this life
Can you get back to the bottom line, line

[Chorus]

What do you run from, baby? Where do you run to,
baby?
You can't outrun me, baby, just trust me
Girl you just can't fight with lasers of love
Girl you just can't fight with lasers of love

Always wanting the time... always stuck in the ground,
yeah, yeah
Put your head in the clouds, yeah
Consuming, let me take it from here now,
All up just disappeared now
I wish... tears now, you believe, can you get back to the
feel this like
Can you get back to the bottom line, line

[Chorus]

What do you run from, baby? Where do you run to,
baby?
You can't outrun me, baby, just trust me
Girl you just can't fight with lasers of love
Girl you just can't fight with lasers of love
Girl you just can't fight with
Girl you just can't fight with
Girl you just can't fight with
Girl you just can't fight with
What do you run from, baby? Where do you run to,
baby?
You can't outrun me, baby, just trust me
Girl you just can't fight with lasers of love
Girl you just can't fight with lasers of love
Girl you just can't fight with, just can't fight with, just
can't fight with

Girl I miss you girl, girl I miss you girl, girl I miss you
girl
Girl I miss you girl, girl I miss you girl, girl I miss you
girl
