Talk about a man's lips
Talk about a man's hands
Talk about a man's eyes

Talk about a woman's lips
Talk about a woman's breast
Talk about a woman's thighs

Those are things so beautiful
But is there more than physical
Isn't love much deeper?

Write a song that's spiritual
Write about a lover's soul
Tough love's much sweeter?

Thank you for your tone to make love true
I heard it before
(I heard it before)
Thank you for your love song, Mr. Radio

Thank you for your lullaby
It makes love look so easy
Thank you for your love song, Mr. Radio

Talk about bad times
Talk about a sweet kiss
Talk about high nights

Talk about making love
Talk about naked love
Talk about love lives

What about the crazy fights?
What about the sleepless nights?
What about a brother's ego, ego?

What about the sacred vows?
How do lovers work it out?
There's much more than the tangle

Thank you for your tone to make love true

I heard it before
Thank you for your love song, Mr. Radio

Thank you for your lullaby
It makes love look so easy
Thank you for your love song, Mr. Radio

See, I know sometimes lovers go crazy
(Lovers go crazy)
A smile and some lingerie can make it right
And I know some fights Mr. Radio can't black away
Thank you for the fantasy

Thank you for your tone to make love true
I heard it before
Thank you for your love song, Mr. Radio

Thank you for your lullaby
It makes love look so easy
Thank you for your love song, Mr. Radio

Thank you for your tone to make love true
I heard it before
Thank you for your love song, Mr. Radio

Thank you for your lullaby
It makes love look so easy
Thank you for your love song, Mr. Radio
