No I've never been ashamed or afraid to speak my
mind
I'm the type of girl that's gonna' say what I don't like
I know I can be a handful, sometimes I run my mouth
I'm used to being in control, decide on what goes down

Well, I met my match, plus you're more of a man than I
ever had
This table's turned and I can't find the words
To describe how good it hurts

You are my Mr. Right
You got me weak, you got me weak, you got me weak
I can't even fight, one touch and I'm paralyzed
I can't think, I can't move, I can't speak
And I'm convinced your love is mine

Mr. Right
You got me weak, you got me weak
Mr. Right
I can't move, I can't think, I can't speak

Mr. Right
You got me weak, you got me weak
Mr. Right
I can't move, I can't think, I can't speak

My defenses are so useless, I don't even have the
power
I'm falling more for you with every minute, every hour
My friends will find it funny if they could see me now
'Cause they're so used to me running the show when
I'm around

Yes I met my match plus you're more of a man than I
ever had
This table's turned and I can't find the words
To describe how good it hurts

You are my Mr. Right
You got me weak, you got me weak, you got me weak
I can't even fight, one touch and I'm paralyzed

I can't think, I can't move, I can't speak
And I'm convinced your love is mine

Mr. Right
You got me weak, you got me weak
Mr. Right
Can't move, I can't think, I can't speak

Mr. Right
You got me weak, you got me weak
Mr. Right
I can't move, I can't think, I can't speak

I'm changing my ways
Maybe I'll give in
You might be the man
Mr. Right, Mr. Right

You are my Mr. Right
You got me weak, you got me weak, you got me weak
And I can't even fight, one touch and I'm mesmerized
I can't think, I can't move, I can't speak
I'm convinced your love is mine

Mr. Right
You got me weak, you got me weak
Mr. Right
I can't move, I can't eat, I can't sleep

Mr. Right
You got me weak, you got me weak
Mr. Right
I can't eat, I can't sleep

You got me weak, you got me weak, you got me weak
Mr. Right, Mr. Right, Mr. Right, Mr. Right
I can't think, I can't move, I can't speak
Mr. Right, Mr. Right, Mr. Right
