I ain't that stereo typical woman  
Singin' 'bout a man that's gone  
And cryin' while I look out the window  
It's easy to move on  
I don't care if he calls no more, whoa

At least that's what I tell myself to make it through  
The days and nights alone here when I'm missin' you  
I'm tryin' not to trip but I don't feel comfortable  
'Cause every time I go to turn on the radio

They're playin' my song  
Every time that I hear it my heart wants to  
Jump out of my chest to search for it  
They're playin' my song  
And my whole body feels it  
It's cryin' out baby, baby, baby, baby, baby

They're playin' my song, oh, oh, oh, oh, oh  
They're playin' my song, oh, oh, oh, oh, oh  
They're playin' my song

I ain't that everyday girl that's broken hearted  
Waitin' for a telephone call  
And holdin' so tight to my pillow  
See life really started  
The moment that you left me alone, whoa

At least that's what I tell myself to make it through  
The days and nights alone here when I'm missin' you  
I try not to trip but I don't feel comfortable  
Every time I go to turn on the radio

They're playin' my song  
Every time that I hear it my heart wants to  
Jump out of my chest to search for it  
They're playin' my song  
And my whole body feels it  
It's cryin' out baby, baby, baby, baby, baby

They're playin' my song, oh, oh, oh, oh, oh  
They're playin' my song, oh, oh, oh, oh, oh

They're playin' my song

Don't think that I'm wastin' my time  
Cryin' and wishin' you could be mine  
Gotta the feelin's under control till I turn on the radio

They're playin' my song  
Every time that I hear it my heart wants to  
Jump out of my chest to search for it  
They're playin' my song and my whole body feels it  
It's cryin' out baby, baby, baby, baby, baby

They're playin' my song  
Every time that I hear it my heart wants to  
Jump out of my chest to search for it  
They're playin' my song and my whole body feels it  
It's cryin' out baby, baby, baby, baby, baby

They're playin' my song, oh, oh, oh, oh, oh  
They're playin' my song, oh, oh, oh, oh, oh  
They're playin' my song, oh, oh, oh, oh, oh  
They're playin' my song, oh, oh, oh, oh, oh  
They're playin' my song, oh yeah
