[Chorus]

Don't stop, yeah, yeah
This is how we ride in that
Porsche Carrera, Porsche Carrera
Don't stop, yeah, yeah
This is how we ride in that
Porsche Carrera, Porsche Carrera

Girl you got my t-shirt on,
We're all alone
I can tell what's on your mind
Yeah you got that 12 play on
Ain't nothing wrong,
We're gonna get it in tonight, night
Wanna get freaky, know your body is fiending, oh
I'ma go real deep till you get to screaming loud
Do you want it all girl your body is steaming yeah
Yeah you know what that means
Soaking up the bed sheets
Do it, push it to the limit
Drive me like a Porsche Carrera, Porsche Carrera
Do me, once I get up in it
Drive me like a Porsche Carrera, Porsche Carrera

[Chorus]

Don't stop, yeah, yeah
This is how we ride in that
Porsche Carrera, Porsche Carrera
Don't stop, yeah, yeah
This is how we ride in that
Porsche Carrera, Porsche Carrera

Baby stop right there
Wait a minute
Kiss all on your neck
Why I lay up in it
Tryina be all I can be
Give you all the best of me
So I can make your love come down
It's like that
Wanna get freaky, know your body is fiending, oh

I'ma go real deep till you get to screaming loud
Do you want it all girl your body is steaming yeah
Yeah you know what that means
Soaking up the bed sheets
Do it, push it to the limit
Drive me like a Porsche Carrera, Porsche Carrera
Do me, once I get up in it
Drive me like a Porsche Carrera, Porsche Carrera

[Chorus]
Don't stop, yeah, yeah
This is how we ride in that
Porsche Carrera, Porsche Carrera
Don't stop, yeah, yeah
This is how we ride in that
Porsche Carrera, Porsche Carrera

Making love with the music
Times is... and I do it
Girl I love when you do it
Making love with the music
Times is... and I do it
Girl I love when you do it
Right now

[Chorus]
Don't stop, yeah, yeah
This is how we ride in that
Miami... all day
Don't stop, yeah, yeah
This is how we ride in that
Miami... all day

Do it, push it to the limit
Drive me like a Porsche Carrera, Porsche Carrera
Do me, once I get up in it
Drive me like a Porsche Carrera, Porsche Carrera

[Chorus]
Don't stop, yeah, yeah
This is how we ride in that
Porsche Carrera, Porsche Carrera
Don't stop, yeah, yeah
This is how we ride in that
Porsche Carrera, Porsche Carrera
