Spend a lot of money at the tattoo shop on weekends  
Spend a lot of dividends on nb concert tickets  
And I might just fly to Amsterdam, to hang with a friend  
of mine  
Raybans shade hide the party I had at my spot last  
night  
At 4:30 make it to Chrishan's day I feel so fly  
Oho, the coffee run I'm so tired  
Starbucks please I'm so buy  
Tryina change the world, die

I'm a rich hipster, I hang with 30000 friends, yeah  
A really, really rich hipster, the richness lives in here  
One to your heart

Home made t shirt, tattoos, converse, uniform  
Yet not the norm  
Home made t shirt, tattoos, converse, uniform  
Look nice, yet not the norm  
We all try to be different but we're all alike  
Sharing art and love we all bleed red tonight  
When I hit the club, promise to show me love  
No matter who you are, we all can get along  
Meet a new stranger, make a new friend  
Never know maybe a friend to the end  
American delight and I'm back again  
Wave your love when you wave your flag  
I said wave your love when you wave your flag

I'm a rich hipster, I hang with 30000 friends, yeah  
I'm a rich hipster, my richness lives in here

She so ahead of the curb, peter get on the nerves  
A thrift store for furs, and I'm hoping that miss knows  
her worth my loafer  
She deserves it, this, that, and mores  
Williamsburg, with the riff raff of course, bills  
gonna fall behind  
For the ills and the fashion forward  
Ok, smile for the photo, cafe at...tryina find a  
couple sohos  
Approximately, my street, just watch me

The cops do, but cabs don't I'm dark skin  
Chris dior, mangella, giocangi  
Cool people in costumes how I see it  
Grand sheet, I'm just playing some nas here  
If I ruled the world better ghetto with non fear  
The complex will cover Obama and Romney  
And I only lucrative beef is the fucking relieve me

I'm a rich hipster, I hang with 30000 friends, yeah  
I'm a rich hipster, my richness lives in here

I'm a rich hipster, I hand with 30000 friends, I do, aha  
I'm a rich hipster, my richness lives in here
