When the moon on a cloud cast night  
Hung above the tree tops' height  
You sang me of some distant past  
That made my heart beat strong and fast  
Now I know I'm home at last

You offered me an eagle's wing  
That to the sun I might soar and sing  
And if I heard the owl's cry  
Into the forest I would fly

And in its darkness find you by.

And so our love's not a simple thing  
Nor our truths unwavering  
But like the moon's pull on the tide  
Our fingers touch our hearts collide  
I'll be a moonsbreath by your side
