When the last eagle flies Over the last crumbling  
mountain And the last lion roars At the last dusty  
fountain In the shadow of the forest Though she may  
be old and worn They will stare unbelieving At the Last  
Unicorn

When the first breath of winter Through the flowers is  
icing And you look to the north And a pale moon is  
rising And it seems like all is dying And would leave the  
world to mourn In the distance hear her laughter Of the  
Last Unicorn I'm alive... I'm alive

When the last moon is cast Over the last star of  
morning And the future has past Without even a last  
desperate warning Then look into the sky where  
through The clouds a path is formed Look and see her  
how she sparkles It's the Last Unicorn I'm alive... I'm  
alive.
