A clouded dream on an earthly night
Hangs upon the crescent moon
A voiceless song in an ageless light
Sings at the coming dawn
Birds in flight are calling there
Where the heart moves the stones
There that my heart is longing for
All for the love of you

A painting hangs on an ivy wall
Nestled in the emerald moss
The eyes declare a truce of trust
Then it draws me far away
Where deep in the desert twilight
Sand melts in pools of the sky
Darkness lays her crimson cloak
Your lamps will call, call me home

And so it's there that my homage's due
Clutch-ed by the still of the night
Now I feel, feel you move
And every breath, breath is full
So it's there my homage's due
Clutch-ed by the still of the night
Even the distance feels so near
All for the love of you

A clouded dream on an earthly night
Hangs upon the crescent moon
A voiceless song in an ageless light
Sings at the coming dawn
Birds in flight are calling there
Where the heart moves the stones
There at my heart is longing for
All for the love of you
