When the moon  
Comes up  
To shine her face  
The birds  
Are fast asleep  
When  
The lanterns hang  
From every post  
The fairies  
Leave their keep  
They join their hands  
And sing the songs  
That narry  
A soul can hear  
In the  
Spring time  
When the earth  
Is new  
To the fairies  
They draw near  
To the fairies

They draw near
