Time, it needs time
To win back your love again
I will be there, I will be there
Love, only love
Can bring back your love someday
I will be there, I will be there

Ill fight, babe, Ill fight
To win back your love again
I will be there, I will be there
Love, only love
Can break down the wall someday
I will be there, I will be there

If wed go again
All the way from the start
I would try to change
The things that killed our love
Your pride has built a wall, so strong
That I cant get through
Is there really no chance
To start once again
Im loving you

Try, baby try
To trust in my love again
I will be there, I will be there
Love, our love
Just shouldnt be thrown away
I will be there, I will be there

If wed go again
All the way from the start
I would try to change
The things that killed our love
Your pride has built a wall, so strong
That I cant get through
Is there really no chance
To start once again

If wed go again
All the way from the start

I would try to change
The things that killed our love
Yes, Ive hurt your pride, and I know
What youve been through
You should give me a chance
This cant be the end
Im still loving you
Im still loving you, I need your love
Im still loving you
