My heart is so thirsty of being with You
You bring freedom into my life
There'll never be, there'll never be someone like You
With so much joy, so much love for me

I want to be filled with joy
Dancing for my King and Lord
Offering my praise to You

I want to be filled with joy
Dancing for my King and Lord
Offering my praise to You

My heart is so thirsty of being with You
You bring freedom into my life
There'll never be, there'll never be someone like You
With so much joy, so much love for me

I want to be filled with joy
Dancing for my King and Lord
Offering my praise to You

I want to be filled with joy
Dancing for my King and Lord
Offering my praise to You

I want to be filled with joy
Dancing for my King and Lord
Offering my praise to You

I want to be filled with joy
Dancing for my King and Lord
Offering my praise to You

There's so much joy, there's so much joy
There's so much joy, there's so much love

I want to be filled with joy
Dancing for my King and Lord
Offering my praise to You

I want to be filled with joy
Dancing for my King and Lord
Offering my praise to You

I want to be filled with joy
Dancing for my King and Lord
Offering my praise to You

I want to be filled with joy
Dancing for my King and Lord
Offering my praise to You
