I've never felt like this before
My heart desire something more
Something that will change my life, forever

I know You are the only one
The only one who's there for me
You will always hear my prayer

Let Your glory fall. o-oh.
Let Your spirit come upon me
Let Your presence fall like never before
I want your touch

I want to see the angels sing
Your spirit moving over me
You will always have my worship

Let Your glory fall. o-oh.
Let Your spirit come upon me
Let Your presence fall like never before
I want your touch

Let Your glory fall. o-oh.
Let Your spirit come upon me
Let Your presence fall like never before
I want your touch

I want Your touch
I want Your touch
I want Your touch
I want Your touch
your touch

Let Your glory fall. o-oh.
Let Your spirit come upon me
Let Your presence fall like never before
I want your touch

Let Your glory fall. o-oh.
Let Your spirit come upon me
Let Your presence fall like never before

I want your touch
