For everytime You're by my side
Everytime You heard my cry
for saving me, for healing me
I give my all, I give my all

For every drip of blood you shed
And everytime you called my name
for saving me, for healing me
I give my all, I give my all

You gave Your life on the croos
Your precious blood falling over me
You look at me, and all the things I did.
You wash over me
Your blood over me

And everytime I failed Your heart
You looked at me and forgive my sin
What can I say, what can I do
Than give my all to the one I love

You gave Your life on the croos
Your precious blood falling over me
You look at me, and all the things I did.
You wash over me
Your blood over me

You gave Your life on the croos
Your precious blood falling over me
You look at me, and all the things I did.
You wash over me
Your blood over me

And by His wound
I've been healed, I've been healed
By His blood
I've been forgiven, I've been forgiven

And by His wound
I've been healed, I've been healed
By His blood

I've been forgiven, I've been forgiven

And by His wound
I've been healed, I've been healed
And by His blood
I've been forgiven, I've been forgiven

You gave Your life on the cross
Your precious blood falling over me
You look at me, and all the things I did.
You wash over me
Your blood over me

You gave Your life on the cross
Your precious blood falling over me
You look at me, and all the things I did.
You wash over me
Your blood over me
