Hear my prayer this day
And come and rescue me
Turn Your ear upon my cry
Come and rescue me

All my affliction and all of my pain
I turn it over to You
So You can change, so You can change me

Your hand is upon me
To guard me, to love me
Your hand is upon me
To guard me, to heal me

Hear my prayer this day
And come and rescue me
Turn Your ear upon my cry
Come and rescue me

All my affliction and all of my pain
I turn it over to You
So You can change, so You can change me

Your hand is upon me
To guard me, to love me
Your hand is upon me
To guard me, to heal me

Your hand is upon me
To guard me, to love me
Your hand is upon me
To guard me, to heal me

Your hand is upon me
To guard me, to love me
Your hand is upon me
To guard me, to heal me

Your hand is upon me
To guard me, to love me
Your hand is upon me

To guard me, to heal me

You hand...

This is the day I will receive Your blessing, Lord

This is the day I will receive Your Love

This is the day I will receive Your blessing, Lord

Your hand is upon me

To guard me, to love me

Your hand is upon me

To guard me, to heal me

Your hand is upon me

To guard me, to love me

Your hand is upon me

To guard me, to heal me

Your hand is upon me

To guard me, to love me

Your hand is upon me

To guard me, to heal me

Your hand is upon me

To guard me, to love me

Your hand is upon me

To guard me, to heal me
