She said, "Let go, goodbye"  
So pathetic yet it seems so right  
Yeah, it seems so right  
I said, "Alright, okay"  
Anything to make you go away  
To make you go away

If you get back before I do  
If you could only hear me through  
It used to be so easy

Oh no, you've gone and done it  
All over time and time again  
Time and time again

I said, "Alright, okay"  
Anything to make you go away  
To make you go away  
I said, "Oh no, don't cry"  
Another day like this and I'll lose my mind  
Yeah, I'll lose my mind

If you get back before I do  
If you could only just hear me through

'Cause it seems to me you're leaving  
You must have your reasons  
Again, again, another season  
One more day and my heart stops beating

Oh no, you've gone and done it  
All over time and time again  
Time and time again

Oh no, you've gone and done it  
All over time and time again  
Time and time again

She saying, "Let go"  
She saying, "I won't"  
Yeah, she's saying, "Let go", [Incomprehensible]

You spoke of this before  
And you never said that you loved me  
[Incomprehensible]
