I miss you, old friend  
Can I hold you?  
And though it's been a long time, old friend  
Do you mind?

There were so many things  
I wish I had said  
I meant to love you  
But I hurt you instead

I've come here now  
To make amends  
Can I sit down beside you  
Can we be close again?

Ooh, 'coz I, I miss you, old friend  
Can I hold you?  
And though it's been a long time, old friend  
Do you mind?

I'm hoping that you  
Will feel this way too  
'Coz I miss you, old friend  
I miss you
