Have you found since you turned me down  
The one that you've been searching for  
Are you glad that you made me sad  
For you know you vowed to love me ever more.

What did you have in mind when you broke this heart of mine  
Are you laughing in my face  
Tell me what can I do when you say that we are through  
You've left a wound time can't erase.

--- Instrumental ---

Tell me dear are you satisfied  
To be foot loose and fancy free  
Is it power you want for the things that you have done  
What you've gained I guess I'll never see.

What did you have in mind when you broke this heart of mine  
Are you laughing in my face  
Tell me what can I do when you say that we are through  
You've left a wound time can't erase...
