Always wanting you but never having you  
Makes it hard to face tomorrow cause I know I'll wake  
up wanting you again  
Always loving you ah but never touching you  
Sometimes hurts me almost more than I can stand

I'd been better off if I turned away and never looked at  
you the second time  
Cause I really had my life all together till your eyes met  
mine  
And there I saw you yearning and the feeling frost the  
room that you felt for me  
Wish I'd had a way of knowin' that the things we had in  
mind could never be  
Always wanting you...

[ steel ]

Always loving you ah but never touching you  
Sometimes hurts me almost more than I can stand
