Well on a Friday night you draw your pay and you take
in the town
You leave me at home just to lose my mind for you are
messin' around
But it's four in the morning and you stagger in and you
sure look a mess
With a smile on your face and out stretched arms and a
bargain basement dress

I wouldn't wear that dress to a dogfight if the fight was
free
And the bargain basemant dress ain't enough to get
your arms around me
Well you say when a man was hard all week he sure
deserves rest
But honey that ain't right to get out of my sight with that
bargain basement dress
[dobro - steel]
I wouldn't wear that dress to a dogfight if the fight was
free

And the bargain basemant dress ain't enough to get
your arms around me
Now I took all I'm a gonna take and I'm a leavin' you the
rest
Tell you what I'll do I'll just leave you that old bargain
basement dress
Tell you what I'll do I'll just leave you that old bargain
basement dress
