"Beautiful Unhappy Home"

Visit "[Beautiful Unhappy Home](#)" on MotoLyrics.com

We were proud of this house that we found on a street
in the nice part of town
Had it furnished with care we were once happy here
now it's a beautiful unhappy home
Planted red sweet hard roses for you painted our
rooms your favorite blue
Now the colors remain but our love's not the same oh
it's a beautiful unhappy home
What a beautiful unhappy home it's so hard to believe
it's our own
But we're both held here by a child we love dear in this
beautiful unhappy home
Yes we're both held here...
In our beautiful unhappy home
