(Loretta Lynn)

Mommie pop the popcorn and we string it on the tree
Apples nuts and candy oh what a Christmas feel
Daddy play the organ and we'll all sing Silent Night
We'll have a good old country Christmas alright
A good old country Christmas that's what it's gonna be
With all the family gathered round our pretty Christmas
tree
We'll open up our presents Christmas Eve about
midnight
We'll have a good old country Christmas alright
[guitar]
Aunt Annie Belle will be here uncle Bill and darn our
kids
We'll make ballets on the floor just like we always did
Gradnama bake the pies and cakes oh what a pretty
sight
We'll have a good old country Christmas alright
A good old country Christmas...
A good old country Christmas...
