Well you thought I'd be waitin' up when you came home  
last night  
You'd been out with all the boys and you ended up half  
tight  
But liquor and love they just don't mix leave the bottle  
or me behind  
And don't come home a drinkin' with lovin' on your  
mind

No don't come home a drinkin' with lovin' on your mind  
Just stay out there on the town and see what you can  
find  
Cause if you want that kind of love well you don't need  
none of mine  
So don't come home a drinkin' with lovin' on your mind  
[ steel - guitar ]  
You never take me anywhere because you're always  
gone  
And many a night I've laid awake and cried here all  
alone

Then you come in a kissin' on me it happens every time  
No don't come home a drinkin' with lovin' on your mind

No don't come home a drinkin'...  
No don't come home a drinkin' with lovin' on your mind
