I know I shouldn't bother you 'cause you asked me not
to call
But tonight I'm not responsible for what I do at all
You're drivin' me out of my mind, is that what you want
to do?
Well, do me a little favor and drive you out of my mind
too

Drive you out of my mind, erase the memories of your
touch
I don't believe I'm askin' for too much
You're drivin' me out of my mind and you know this is
true
Well, do me a little favor and drive you out of my mind
too

Now don't tell me you don't have time 'cause the
problems just can't wait
If I'll wait until tomorrow, it just might be too late
You're drivin' me out of my mind by lovin' someone
new
So do me a little favor and drive you out of my mind
too

Drive you out of my mind, erase the memories of your
touch
I don't believe I'm askin' for too much
You're drivin' me out of my mind and you know this is
true
Well, do me a little favor and drive you out of my mind
too
