Wait here for me, I'll get the key
Darlin', I won't be long
The place isn't much, as soon as we touch
Anywhere's home away from home

It's a very nice room, do you like my perfume?
I wanted everything to be just right
There's so little time for a love of this kind
It can't even last through the night

We have to steal all the love that we feel
And we're feelin' like stealin' again
We'll never be free, so it's gotta be
Lovin' from seven till ten
Lovin' from seven till ten

Do you see a trace of love on my face?
I know she'll have on the light
Look in my eyes, can he see how I've cried
While you were lovin' me tonight?

We have to steal all the love that we feel
And we're feelin' like stealin' again
We'll never be free, so it's gotta be
Lovin' from seven till ten, woah
Lovin' from seven till ten
