A pretty boy Charlie's the name
That you've been a given
And you act like
The whole wide world all you were livin'.

You tell me you can get any girl you know
You say you got what it takes
To me you're just a heartache
So get what'cha got and go.

You think you're
The greatest thing in this whole town
Oh, number one but everyone
No one can put you down.

Every night you go downtown
Where the go-go's go
Oh well, you think you're so hot
And you tell me you're not
So get what'cha got and go.

--- Instrumental ---

You better wash that sneaky smile
Right off of your face
For I just might knock it off
And put it in your place.

Just like the wild, wild wind
All you do is blow
Just say I'm holdin' you back
But baby, I'll have to pack
So get what'cha got and go.

You think you're
The greatest thing in this whole town
Oh, number one but everyone
No one can put you down.

Every night you go downtown
Where the go-go's go

Oh well, you think you're so hot
And you tell me you're not
So get what'cha got and go...
