A pretty boy Charlie's the name that you've been a
given
And you act like the whole wide world all you were livin'
You tell me you can get any girl you know
You say it got what it takes to me you're just a
heartache
So get what'cha got and go

You think you're the greatest thing in this whole town
Oh number one but everyone no one can put you down
Every night you go downtown where the go-go's go
Oh well you think you're so hot and you tell me you're
not
So get what'cha got and go

face

Just like the wild wild wind all you do is blow
Just say I'm holdin' you back but baby I'll have to pack
So get what'cha got and go

You think you're the greatest thing...
