I hope you had a very very merry and that your seasons
wishes came true
But mine will of white the contrary for I recieved a gift
of the blues

I travel miles and miles to see my baby all this way just
to share his charms
Travel miles and miles to find my baby wrapped up so
neatly in someone else's arms

I hope you had a cool and a franic we laugh at
resolutions were few
But there are those of us near panic were the ones who
got a gift of the blues

I travel miles and miles to find my baby all this way just
to share his charms
Travel miles and miles to find my baby wrapped up so
neatly in someone else's arms

I hope you had a very very merry and that your seasons
wishes came true
But mine will of white the contrary for I recieved a gift
of the blues
