Mhm mhm mhm oh could he love the girl that I am now

Tonight I'm in his arms but he just don't seem the same
I cheated and I'm guilty my heart can't stand this pain
I let passions fill my mind from my heart and
conscience blind

I feel I'm mighty low and I pray he'll never know
He love the girl I used to be could he love the girl that I
am now

[steel - piano]

It almost breaks my heart when he says that he loves
me

I know that I'm not worthy and that's what troubles me
If he do what I had done could he still feel just the
same

Or would he feel the way I do guilty and a shame
He love the girl I used to be could he love the girl that I
am now

Mhm mhm mhm oh could he love the girl that I am now
