"Half A Mind"

I don't love you like I used to do
But I'm afraid to tell you so
Cause I've got half a mind to leave you
But only half the heart to go

Now words to tell you just don't come to me
I guess my courage is too slow
Cause I've got half a mind to leave you
But only half the heart to go
[steel - piano]
Now time may prove that you are not to blame
But now the time I need to know

Cause I've got half a mind to leave you
But only half the heart to go
Yes I've got half a mind to leave you
But only half the heart to go
