You've got me where you want me you keep stringing  
me along  
Just enough to keep me a hangin' on  
It's true you have me twisted around your finger it  
seems that's where I belong  
You know how to hold me thrill me and control me  
Just enough to keep me a hangin' on oh just enough to  
keep me a hangin' on  
My heart is like a yo-yo on a string I'm tied to you right  
or wrong  
My love keeps a growing cause your love keeps a  
showing  
Just enough to keep me a hangin' on oh just enough to  
keep me a hangin' on  
A love that's strong as mine will make me do most  
anything  
Like hiding tears and heartaches and dreaming silly  
dreams  
You've got me where you want me you keep stringing  
me along  
Just enough to keep me a hangin' on oh just enough to  
keep me a hangin' on
