Well I know where you're going and who's gonna meet
you there

I know how late you'll be coming home but guess who
doesn't care

Tonight I'll step out too and since I won't be here
Happy birthday merry Christmas and happy New Year

My best wishes may be early but I'm not sticking
around

To bake a cake for your birthday while you're out turnin'
around

She can help you celebrate may she bring you lots of
cheer

Happy birthday merry Christmas and happy New Year
[guitar]

Now I've made my mind up late second's long enough
You think I don't mean it so you're gonna call my bluff

But I'll be busy packing while you're holding her near
Happy birthday merry Christmas and happy New Year

My best wishes may be early...

Happy birthday merry Christmas and happy happy New
Year
