In the eyes of the world he's only an ordinary man  
But there's a million and one things the eyes of the  
world never see  
He may walk the same he may talk the same as a  
million others do  
You'd see him as I do if his heart had eyes for you  
He's only everything only everything  
He's as real as the thrill I feel when he walks through  
my dreams  
He's the one I hold when my world grows cold and  
needs a touch of spring  
Or a song to sing  
Yes in these eyes of mine Lord he's only everything  
[ steel ]  
He's as real as the thrill I feel...  
Yes in these eyes of mine Lord he's only everything
