Oh how far can we go you and me doin' this
We're doin' the things that only sinners do but I can't
keep my mind off of you
We made a mistake one night and didn't quit
So how far can we go you and me doin' this
We're strangers by day and lovers by night
And I feel like a thief when I hold you tight
The ring on my finger shows that I'm still his
So how far can we go you and me doin' this
Lovin' like there's no tomorrow or past we're takin' the
backroad go and go out fast
The ring on my finger shows that I'm still his
So how far can we go you and me doin' this
So how far can we go you and me me and you
everyday all the time doin' this
