Oh, I burnt the little roadside tavern down  
The only one for miles and miles around  
Now, it's a pile of ashes on the ground  
Yeah, I burnt the little roadside tavern down.

Oh, I warned my man to just stay away from that tavern  
Or I'll burn it down someday  
I think he thought it was a joke until he smelled the  
smoke  
Then he screaned that woman finally got her way.

Oh, I burnt the little roadside tavern down  
The only one for miles and miles around  
Now, it's a pile of ashes on the ground  
Yeah, I burnt the little roadside tavern down.

--- Instrumental ---

He acted like a man who'd lost it's mind  
After he bought all those bottles of wine  
You should have heard him talk and shout  
As he tried to put it out.  
Drowin' water on the bucket at a time

Oh I burnt the little roadside tavern down  
The only one for miles and miles around  
Now, it's a pile of ashes on the ground  
Yeah, I burnt the little roadside tavern down.

Yes, I burnt the little roadside tavern...
