Loretta Lynn & Conway Twitty

I'd crawl through the desert  
On my hands and knees  
Without a drink of water.  
Just for a chance  
Of a little romance  
With that coal miner's daughter.

Yeah, if I was a poor girl  
Beggin' in the street  
Livin' crumb to crumb.  
I'd turn down  
A 12-pound t-bone steak  
For a boom - boom - boom.

Love is all we feel  
Spinnin' like a wheel  
We let it roll  
Roll, I love you so.

When you walk that walk  
and you talk that talk  
I can't love you enough,  
I can't love you enough  
You've got a way of making me say  
I can't love you enough,  
I can't love you enough  
I'm never gonna give you up  
I can't love you enough

Hey Conway, you're my Mississippi man  
You're really gettin' to me fast  
Every time we kiss it burns so deep  
It just lasts and lasts and lasts.

Loretta my love for you is strong  
I wouldn't sell it for a million dollars  
I know I belong here singin' this song  
With that girl from Butcher Hollow...
