I fall to pieces  
Each time I see you again  
I fall to pieces  
How can I be just your friend?

You want me to act  
Like we've never kissed  
You want me to forget  
Pretend we've never met

And I've tried, Lord I've tried  
But I haven't yet  
You walk by and I fall to pieces

You tell me  
To find someone else to love  
Someone who'll love me too  
The way you used to do

But each time I go out  
With someone new  
You walk by and I fall to pieces  
You walk by and I fall to pieces
