(Merle Haggard - Bonnie Owens)

Today I started loving you again  
I'm right back where I've really always been  
I've got over you just long enough to let my heartaches  
mend  
Today I started loving you again.

What a fool I was to think I could get by  
With only these few million tears I've cried  
I should have known the worst was yet to come  
And cryin' time for me had just begun.

So today I started loving you again  
I'm right back where I've really always been  
I've got over you just long enough to let my heartaches  
mend  
Today I started loving you again.

Yes, today I started loving you again...
