Well, I look out the window
And what do I see
The breeze is a blowin'
The leaves from the trees
Everything is free, everything but me

I'm gonna take this chain
From around my finger
And throw it just as far as I can slinger
'Cause I wanna be free

When my baby left me
Everything died but a little bluebird
Was singin' just outside
Singin' twidle-de-dee, fly away with me

Well, you know
I think I'm a gonna live
Gotta lotta love left in me to give
So I wanna be free

I've released my heart, my soul
And my mind and I'm a feelin' fine
I broke the chains, the ring of gold
Before it broke my mind

Well, look who's cryin'
And it ain't me
But I can't hardly hear
And I can't have see
Oh, I wanna be free

I've released my heart, my soul
And my mind and I'm a feelin' fine
I broke the chains, the ring of gold
Before it broke my mind

Oh, and look who's cryin'
And it ain't me
But I can't hardly hear
And I can't have see
Do I wanna be free?

Did I wanna be free?
Yeah, I wanna be free, free
