I know that I won't forget you  
For I've loved you too much, for too long  
Though you don't want me now  
I'll still love you till the breath in my body is gone.

That's how it is with me and  
You'll always be the only love I ever knew  
I'll forget many things in my lifetime  
But darling, I won't forget you.

--- Instrumental ---

That's how it is with me and  
You'll always be the only love I ever knew  
I'll forget many things in my lifetime  
But darling, I won't forget you...
