(Lomar Morris - Ken Jones)

Lately we don't talk much lately we don't love much
We're just goin' through the motions when we do
A good warm love turnin' colder how it's everything but
over
So I'm gonna leave the leavin' up to you.

I'm not strong enough to walk away
I'm much too weak from all the love I gave
'Cause breakin' chains untyin' strings is somethin' I
can't do
So I'm gonna leave the leavin' up to you.

But now there's somethin' in you that makes my touch
offend you
And the little smiles I see are less than few
But I'd never try to hold you to the things that we both
swore to
So I'm gonna leave the leavin' up to you...
