Ever since you left me i've done nothing but wrong
many nights i've laid awake and cried
we was so happy my heart was in a whirl
but now i'm a honkey tonk girl
so turn that jukebox way up high
and fill my glass up while cry
i've lost everything in this world
and now i'm a honkey tonk girl
All he ever gave me was a reason to go bad
and it's not hard to see just what i am
i'm ashamed and i'm sorry fo r everything you see
but losing him has made a fool of me
so turn that jukebox way up high
and fill my glass up while i cry
i've lost everything in this world
and now i'm a honey tonk girl
