Ever since you left me I've done nothing but wrong.
Many nights I've layed awake and cried.
We was so happy.
My heart was in a whirl,
But now I'm a honky tonk girl.

So turn that jukebox way up high,
And fill my glass up while I cry.
I've lost everything in this world,
And now I'm a honky tonk girl.

(Instrumental)

I just can't make a right with all of my wrongs,
Every evening of my life seems so long,

I'm sorry and ashamed for all these things you see,
but losing him has made a fool of me.

So fill my glass up to the rim,
to lose my memory of him,
I've lost everything in this world,
and now im a Honky Tonk Girl
