(Ernest Tubb - Ernie Benedict - Red West)

Bitin' my fingernails thinking of you
Don't love nobody else it's funny but it's true
Just got a feeling maybe we're through
Bitin' my fingernails and thinking dear of you.

You really got me worried now I must confess it's true
I sit around twiddlin' my thumbs breaking my heart in
two
I'm wondering if you love me so the way you say you do
I'm bitin' my fingernails and thinking dear of you.

Bitin' my fingernails thinking of you
Don't love nobody else it's funny but it's true
Just got a feeling maybe we're through
Bitin' my fingernails and thinking dear of you.

--- Instrumental ---

If you have plans to end it all I wish you'd tell me now
Don't leave me thinking that someday you'd leave me
anyhow
For I'll forget we ever met and find somebody new
I'm bitin' my fingernails and thinking dear of you.

Bitin' my fingernails thinking of you
Don't love nobody else it's funny but it's true
Just got a feeling maybe we're through
Bitin' my fingernails and thinking dear of you...
