I know you see that don't touch sun all over me
My pain is wet and you'll get hurt all over you
I'm another man's woman to you I'm just bad news
I'm dynamite so please don't light the fuse
You turn me on but I can't turn me off I guess the switch
is burried in my mind
The flame of love is burning just begging to be used
I'm dynamite so please don't light the fuse
You cannot do the damage that I'll do and the first
thing I'll destroy it will be you
Too many other hearts and vows that I can't stand to
lose
I'm dynamite so please don't light the fuse

[dobro]

You cannot do the damage...

I'm dynamite so please don't light the fuse
