Well I just found out you let your baby down
So I made up my mind and my face and I'm goin to
town
I'm gonna pay you back by doin you the way you've
done me
And some dude don't know how lucky he's about to be

[Chorus:]

I'm gonna do somebody right just to do you wrong
I'm gonna make his day, if it takes me all night long
I'm gonna pick him up, love him up, and really come on
strong
I'm gonna do somebody right, I'm gonna break your
heart tonight
I'm gonna do somebody right just to do you wrong

I'm gonna give you just what you deserve
Cause the crime sure fit's the sentence you must serve
Then I'm gonna make it twice as hard on you I know
because
I'm gonna come back in the morning and tell you how it
was

[Chorus]
