He's nothin' but trouble but he's always on my mind
I tried all I know to do to leave trouble behind
I can hardly live without him I even miss the fights
I'm lonesome for trouble tonight

I'm lonesome for trouble tonight
And I ache for troubles arms to hold me tight
Everytime we get together seems like nothin' comes
out right
Lord I'm lonesome for trouble tonight
[steel]
Unhappy when I'm with him I'm unhappy when I'm not
I've tried so hard to get along but trouble's all I've got

It's hard to have somebody on your mind but out of
sight
Yes I'm lonesome for trouble tonight

I'm lonesome for trouble tonight...
